

# IPP Online Canada's only NO SETUP FEE IPP

The phenomenal success of IPP Online Canada has allowed us to pass on a fantastic level of savings to accountants, business owners, advisors and medical professionals. No other IPP in Canada offers a no set-up fee IPP.

Most set-up fees range in cost from \$1500 to \$5000! This adds a great burden to your plan which must be earned back over time from your plan. As stated in the Financial Post, The Globe and Mail and Canadian Business a major impediment to an IPP is the high cost of set-up and ongoing administration; not so with the IPP Online Canada Plan.

Our plan is the most cost effective IPP in Canada. The chart below outlines a comparison of costs to the IPP Online Canada plan.
